DIS STUDY TOUR CODE OF CONDUCT

On a DIS study tour it is required that you:

- Are a positive representative of DIS and your home institution
- Are on time and participate actively at all lectures and visits
- Show respect for tour leaders, presenters, local support staff and faculty, and fellow students
- Respect local laws and policies of hostels, hotels, bus companies, airlines, restaurants, and other venues.

DIS STUDY TOUR POLICY

- DIS study tour policies correspond to the DIS policies outlined in the student handbook. DIS policies regarding drugs and alcohol are no different on study tour. Consumption of alcohol during or in-between study tour visits is not permitted.
- DIS tour leaders are obligated to report any inappropriate behavior or negative participation to the DIS disciplinary committee. Inappropriate behavior on study tours can also result in dismissal without refund of tuition or study tour costs.
- Students are responsible for their own actions. Incidents involving property damage and/or breach of local laws/policies are to be resolved by the student.

EMERGENCY PROCEDURES

In case of emergency:

First Priority: Protection of Life

In case of an emergency your first priority is to ensure that you and your fellow students evacuate to a safe area and that you assist others in getting to a safe area to the best of your ability.

Second Priority: Call for assistance

After calling 112 or the local emergency number call one of your tour leaders (emergency numbers are found on the front page of this booklet).

If you cannot reach your tour leaders call the DIS emergency phone:

+45 30 67 10 00

Only after reaching safety, calling for assistance, and reaching a DIS staff member should you call others. DIS will contact your family if necessary.

Third Priority: Assist the injured and/or attempt to eliminate further hazard

If you can be of aid to injured people do so only after making sure that contact has been made with local emergency officials.

If you are able to take steps to eliminate a hazard from spreading or be of aid to local security or law enforcement without putting your own safety at risk you should do so if it can prevent further injury or loss of life.

You should NOT put yourself at any risk to save material assets.

Fourth Priority: Account for all your fellow students

Make sure all your fellow students are accounted for. Assist tour leaders or assign someone to search areas or make calls.

Fifth Priority: Inform your family about your current situation

Make sure your family or a contact back home is aware of the current situation and your condition.

INSURANCE MATTERS WHILE TRAVELLING ON DIS STUDY TOURS

Students enrolled at DIS have comprehensive health -, accident -, property - and personal liability insurance coverage. For further information and details, please refer to the insurance conditions at disabroad.org/insurance.

For insurance claim forms and advice, please see the Housing and Student Services office. They are located in Vestergade 8.

THEFT

Please remember to always keep your personal belongings in a safe place – never leave them unattended or in unlocked premises. Should you, despite having taken these measures, have your personal belongings stolen during your study tour, please make sure to follow the guidelines below in order to be able to make an insurance claim upon your return to DIS.

1. **ALWAYS** file a police report with the local police. Please consult with your study tour leader. Without a police report, the insurance company cannot accept your claim.
2. If either your credit card or cell phone is stolen, don't forget to cancel them to avoid abuse.
3. **ALWAYS** keep a copy of your passport and the Danish residence permit on you. Should your passport get stolen, please consult with your study tour leader who will be able to direct you to the embassy or consulate to get you an emergency passport issued.

MEDICAL EMERGENCIES

Please remember to **ALWAYS** keep your Danish National Health Card (the CPR card) on you. If you need to see a doctor or the emergency room, please consult with your study tour leader who will assist you to the nearest one. Present the doctor/hospital with your CPR card as your personal ID. In some countries, you might still be asked to pay upfront, however please remember to bring all medical receipts, prescriptions and doctor's statements back to DIS. This paperwork will be necessary to get your expenses covered through the insurance.
